We are looking forward to our very first Wedding Expo at **watt modern dining** and we would love you to join us.

The expo will take place in the air conditioned sections of our restaurant on Saturday 20th March 2010 from 10am until 3pm. The al fresco area and Park Lounge will be open to the public for you to sample our great food, wine and service.

There will be some exciting goodie bags for the Brides visiting the Expo on the day together with lucky door prizes offered by our generous suppliers. And of course, we will also be serving canapés and drinks.

Just some of the great suppliers supporting us on the day:

- Bouquet Boutique, New Farm
- Ric Frearson Photography
- Friday Flowers
- Little White Wedding Company
- Andrew Porfyri Photography
- Garth Day Spa, Teneriffe
- York Hairdressers, Teneriffe

Our wedding events team:

Tracey Young and Soon-Mee Cameron make up our experienced events team here at **watt modern dining**. Tracey has extensive experience having worked, planned and managed over 400 weddings both here and abroad, most recently at Hampton Court Palace in London. Soon-Mee Cameron has an intimate knowledge of events and weddings and can advise on the all the finer details of your special day.

Located on the riverfront at the Brisbane Powerhouse, we offer a very special wedding experience. You may choose a menu from our seasonal suggestions and complement it with the very best Australian and imported wines. Your arrival drinks reception can be held overlooking one of the most picturesque reaches of the Brisbane River lit by the twinkle of candlelight whilst you are sipping on Champagne or cocktails. After dinner with the glimmer of lights from Hawthorne as a backdrop, you can dance until midnight on the raised floor of the private dining area.

Getting here:

Parking is available in the main Brisbane Powerhouse car park. To access **watt modern dining**, please enter the front entrance to Brisbane Powerhouse then take the first stairs on the left down to the river exit. We are just 10 minutes from the city by the CityCat - disembark at the New Farm Park terminal and the restaurant is a brief stroll along the waterfront.
